# The italian world of bags and shoulder straps for musical instruments

Stefy Line, founded in **1988** and still led by Stefano Pizzichini and Laura Ercoli, represents the excellence of Italian **industrial technique** and **creativity** in the field of **bags, shoulder straps**, and accessories for musical instruments.

Stefy Line's catalog offers **a wide range of targeted products** designed to protect and enhance a variety of musical instruments: from bass to guitar, from ethnic instruments to mixers, from pedalboards to drums and percussion, to pianos, keyboards, and string instruments.

Each Stefy Line product represents a **specific system**, designed to protect and complement the art and passion of its users, enriching their professional and expressive profile with **elegance and technical precision**.

Stefy Line's philosophy is centered around the quality and variety of **raw materials** used, the wise choice of **finishes** and high-performance solutions, as well as attention to details such as gripping and **holding systems** (straps and handles), **transportation** (balancing), and **usage** (pockets, dividers, and various accessories).

During the design process, the company carefully studies volumes, structures, and dimensions, in order to find **solutions suitable** for a wide range of musical instruments, thus ensuring a complete and versatile offering.

We proudly welcome you to the world of Stefy Line.

## since 1988

# one

Unique and dedicated to those who love genuine leather.

The encounter between the elegance of **genuine leather** and the **performance** of technical materials characterizes **the “one” series**: Two color variants, minimal frills, and extreme attention to detail.

A classic with undeniable **charm** and **power**, suitable for every style and situation, **to always be the protagonist**, on stage and off.

# 2000

Faux leather: elegance and style with an animal-friendly perspective.

Design, refinement, craftsmanship, and functionality. Special ingredients expertly mixed with **artisanal** flair and supported by cutting-edge **construction technologies**.

The **2000 series** is designed to accompany and protect your music with style, anticipating your talent wherever you go.

# 1000

## HYBRID

**You were expecting it, but you weren't expecting it**

The **1000 hybrid series** is our flagship. A product that stands out but is designed for everyone. With its **original and unique look**, this semi-rigid bag perfectly synthesizes **technology** and **construction excellence**. Featuring a **Ripstop** fabric exterior, breathable **Air Mesh** elements, contoured and **reinforced shell**, and “earthquake-proof” padding, it ensures truly high-performance levels, promising resistance, security, and absolute presence in any context.

22

# 400

## Pure performance, for every genre

The **400 series** encapsulates the perfect blend of our company's heritage strength and richness in continuously listening to the market.

A **solid concept**, a fusion of aesthetics, design, and technology. It's the masterful synthesis that has always represented **your and our certainty**.

# 300

Reliable, sturdy,  
and highly versatile

Sleek and compact design, 13mm padding, and **durable materials**: the **300 series** comprises a range of bags inspired by dynamism and designed to protect your instrument during every journey, ensuring it always has the security it needs.

# 200

The slimmest among  
the padded ones

The **200 series** embodies **solidity** and **stability**, design and **security**. It's the padded bag dedicated to the newcomer who seeks certainty for their musical instrument.

# 100

Because simple  
doesn't necessarily  
mean easy

**Resistenza e durevolezza** per proteggere e coltivare la tua passione musicale. Stefy Line dedica la **serie 100** a chi muove i primi passi nel mondo della musica. Una custodia **pratica e ben fatta** per accompagnare il tuo talento con forza e stile.

# General terms and conditions of sale

## Orders and right of acceptance

### STEFY LINE

- At its sole discretion, reserves the right, within 10 days from receipt, to accept orders in whole or in part and to fulfill them with delivery in one or more installments;
- Orders already placed may be modified by mutual written agreement;
- Reserves the right to refuse orders not compliant with its commercial terms;
- The general terms of sale are deemed accepted by the customer upon their signing of the order;
- For orders below the amount of €200.00, Stefy Line reserves the right to charge an additional fee of €6.00 each + VAT for processing.
- Screen Printing
- Free screen printing is available for a minimum quantity of 30 pieces;
- Requests for personalized screen prints for orders below 30 pieces will be processed with an invoiced cost of €30.00 + VAT;
- Screen printing setup cost is €55.00 each + VAT;
- Shop advertising screen printing is available only where indicated in the catalog and in sizes to be verified according to the purchased product.

### PAYMENT

- Stefy Line acknowledges payments received only and exclusively at its headquarters, made in compliance with the agreed contractual conditions;
- Customer default in payments authorizes Stefy Line, for each day of delay, to apply bank interest rates increased by three percentage points compared to current banking rates, in addition to charging subsequent bank charges;
- Failure to pay for supplies within the agreed terms and methods authorizes Stefy Line to suspend the processing of current or remaining orders without the customer being entitled to claim damages, refunds, exceptions, or actions;
- In cases where payment, in whole or in part, is to be made after delivery, the products delivered will remain the property of Stefy Line until the full payment at the agreed price, under Article 1523 of the Civil Code. Stefy Line has the right to regain possession of any product sold with a reservation of ownership;
- Prices listed on invoices are valid in all respects, regardless of the order date or associated offer.

### SHIPPING

- Goods may be shipped via the carrier affiliated with Stefy Line or through one requested by the customer;
- If goods are entrusted to a courier affiliated with Stefy Line, shipping and packing costs will be borne by the customer and invoiced;
- If the customer requests a carrier not affiliated with Stefy Line, the goods will be delivered to the assigned port;
- The customer assumes the risks related to material delivery, even if it involves goods traveling free on board and with a carrier other than the one requested;
- Claims regarding transportation must be reported to Stefy Line within eight days from the receipt of goods; after this period, no claims will be accepted;
- The customer must ensure that the delivered goods are intact. Any exceptions or actions on the conformity of the goods must be expressed by marking “RESERVE” on the delivery note issued by Stefy Line and in the carrier’s bulletin, accompanied by a written explanation. Only with the “RESERVE” marked as indicated above will the customer be entitled to contest the quality of the goods delivered.

### BACK ORDERS

- All unfulfilled items of each order will be maintained as back orders unless otherwise communicated in writing by the customer;
- Items remaining on back order will be shipped as soon as available or included in subsequent orders.

### PRODUCT RETURNS

- Stefy Line does not accept returns unless submitted in writing to stefyline@stefyline.com and complete with a duly completed RMA form.

### CHANGES TO PRICE LISTS AND TECHNICAL CHARACTERISTICS

- Stefy Line reserves the right to modify and/or integrate sales price lists and technical characteristics of products at any time and without notice.

## Icon legend

	Finishes or parts of the product made in genuine Italian leather and/or genuine Italian leather		Finishes or parts of the product made in faux leather
	Finishes or parts of the product made in highly performing Ripstop® fabric		Finishes or parts of the product made in breathable Air Mesh technical fabric
	Indication of the thickness in millimeters of the external anti-shock padding		Balanced weight and structure for comfortable transport
